# ECHAD MI YODEAH?

## EMUNAH THE ONLY COMMON CORE

- Yaakov had 12 sons. They all became tribes. How many tribes exist in Klal Yisroel?
- If we have one being who created the world, and that same creator exiled us from the mitzrim, who is that one creator?
- If Mishnayos have the Masechtos and Chumash has books, how many are the Chumashim, how many are the Mishnayos?
- If Avraham Yitzchak and Yaakov are the Avos; and Sara, Rivka, Rochel and Leah are the imahos, How many Avos and Imahaos are there?
