

ESCAPE THE ROOM: PESACH EDITION

Get ready to escape the room... Pesach style!

An escape room is a physical adventure game in which players are locked in a room and have to use elements of the room to solve a series of puzzles and escape within a set time limit. The puzzles can also be arranged to create a scavenger hunt kind of program. Games are set in a variety of fictional locations, such as prison cells, dungeons and space stations, and are popular as team building exercises. This edition takes players back in time to the biblical story of the Jewish exile in Egypt and ultimate redemption to the Promised Land of Israel... if you can escape!
