

JSU CLUB ACTIVITY

ISRAEL CARICATURES

Time needed	20-30 mins
Age range	Any teen
Background of teen	Any background
Set up	Circle around the room

Goals: To create a safe open discussion for teens to express how they feel about Israel

Relevance: Israel related chagim, TJJ recruiting.

Active Learning:

The idea is to print these caricatures out and pass them around and teens get to look at all of them and pick one that they identify with most, then we go around and explain. It's incredibly eye opening how people view Israel and teens learn a ton from other teens' experience, facts and views.

You could make multiple copies so that teens can choose the same as each other.

You could print them as small packets so each teen gets a whole packet and you can ask probing questions for them to choose the picture they most associate the answer with.

Supplies needed:

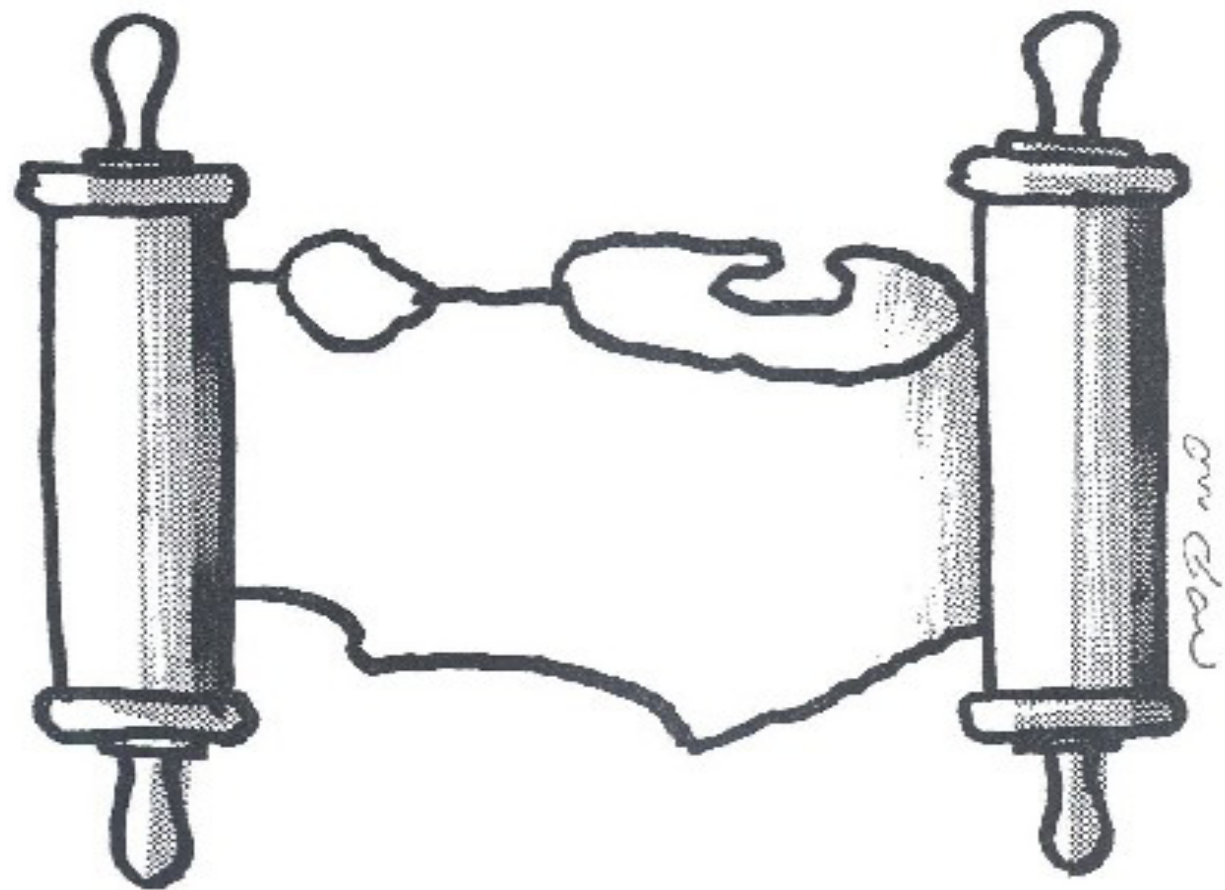

1. Caricatures power point
